Save up to 85% on Medications

It's EASY, Just present the printed card/coupon to your pharmacist and they will enter the codes into their computer system, once saved, you will automatically receive discounts on your prescriptions.

Save up to 90%, accepted at most pharmacies nationwide, share the card, reusable, Free, no fees or registration, Never expires, use on drug not covered by your insurance & Medicare.

What if I have insurance?

You can use the card instead of insurance if:

The medication is not covered by insurance; the card offers a better price than your copay, Medicare Part D donut hole, the medication is not covered by Medicare.

If you would like a physical card or have questions visit our website at www.ChoiceDrugCard.com
